

SOUTH OLIVE CHRISTIAN SCHOOL

CHRIST-CENTERED AFFORDABLE PARENT PARTNERED

Homeschool Partnership

The South Olive Christian School Homeschool Partnership Program supports collaboration between SOCS and homeschooling families by offering classes, electives, and activities that enhance at-home education, all rooted in Christ-centered values and the school's mission.

Per Class, Per Quarter, Per Student \$310

Students may join one daily class at SOCS and attend that same class each time it is offered, such as math every day. Parents and teachers will work together to choose the grade level that best fits the student's cognitive, social, and behavioral needs. Students will participate in all class activities, and completed seatwork will be sent home. Parents are responsible for evaluating their student and keeping grades. Class routines will vary depending on the grade, day, and subject.
