

Early Childhood Center

The Early Childhood Center (ECC) provides a secure, loving, Christian environment where children can grow spiritually, emotionally, physically, socially and intellectually with their peers and teachers. A developmentally appropriate curriculum is used to meet the needs of each child.

Janet Underwood
Director

The ECC uses components of the following curriculum: Purposeful Design Bible Curriculum, Creative Curriculum, Zoo-phonics, and Handwriting without Tears. Many varied and hands-on learning experiences encourage the child's growth as a child of God. We discover together the world God made, the people He gave us, and our responsibilities to both.
