8:25 -8:55 am
Worship & Bible
Time

8:55 -3:55 pm
Literacy Training
Early Math
Science Education
Social and
Cognitive
Experiences

Janet Underwood
Director

GSRP classrooms provide a safe, welcoming, and academically enriching environment where children learn:

- How to get along with others, share, take turns, and build friendships
- Early math, reading, and problem-solving skills through fun, hands-on activities
- Independence, confidence, and a love for learning

GSRP helps prepare children to enter kindergarten ready to succeed—and thrive in the years ahead.
